Remarks

In view of the above amendments, the applicants submit that all of the claims now pending are in allowable form.

OBJECTIONS

A. Claims

The Examiner objects to claims 4-5, 23-24 and 26 as being dependent upon a rejected base claim. The Examiner has indicated that claims 4-5, 23-24 and 26 would be allowable if rewritten in independent form. Applicants have amended claim 1 to include the limitation of claim 4. Claims 11 and 14 have similarly been amended to include the limitation recited in claim 4. Claim 20 has been amended to include the limitation of claim 23. Applicants have cancelled claims 4, 19 and 23. In view of these amendments to the claims, the basis for the Examiners' objection thereto has been removed. Therefore, it is respectfully requested that this objection be withdrawn.

CONCLUSION

Thus, the applicants believe that all of the claims now pending in the application are in allowable form and this application is presently in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issue are earnestly solicited.

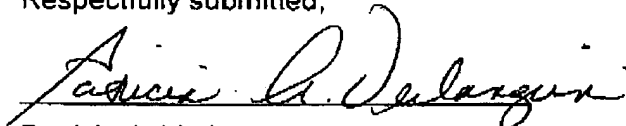

If, however, the Examiner believes that there are any unresolved issues requiring a rejection of any of the claims now pending in the application, it is
